

# Tellington TTouch<sup>®</sup> - Training

**TTouch enhances the "life force of the cells" and awakens the regenerative potential and cellular intelligence of the body.**

**"TTouch is more than a physical modality. TTouch invites you to communicate with your hands and your heart. It brings a healing and awareness - mentally, physically, emotionally and spiritually." Linda Tellington-Jones**

**Introductory Two Day Workshop for Dog Owners  
with Trainer : Lisa Leicht, Practitioner 3, Tellington TTouch Training  
18-19 September 2010, Happy Click School, F-01630 Choudans.  
9:30 – 17:00 (registration at 09:00). Cost: CHF. 365**

Don't miss this wonderful opportunity to learn how you can improve your dog's well-being and also deepen your relationship with your adorable pet. It will be fun and your dog will love you for it!

**The Tellington TTouch** is a specialized approach to the care and training of our animal companions. Developed by internationally recognized animal expert, Linda Tellington-Jones, PhD (Hon), this method based on cooperation and respect offers a positive approach to training, can improve performance and health and presents solutions to common behavioural and physical problems. It also helps establish a deeper rapport between humans and animals through increased understanding and more effective communication.

### **During the workshop you will:**

- 1) Learn about Linda Tellington-Jones, her theory, philosophy and the Tellington TTouch method.
- 2) Practice the Ear TTouch, Noah's March, Zig-zag TTouch, Lifts (Python Lift) and Circular TTouches on humans and dogs.

**About your Trainer:** Lisa Leicht lives in Berne and in the South of France. In 1999, Lisa finished her training with Linda Tellington-Jones as a Tellington TTouch Practitioner 1 for dogs and companion animals. Since October 2008, Lisa is a Practitioner 3 trainer and in April 2009 she finished her 3 year training with Linda as a TTouch-for-your Practitioner (TTouch for humans). She frequently gives courses throughout Switzerland and also gives courses to students of all ages concerning the protection of animals.
